

A RESIDENTIAL PEACE-OF-MIND SYSTEM

NOMI

A home that asks less of you.

NOMI · NOMI XL · NOMI KIN · NOMI KIN XL

One geometry, finished three ways.

OI

Everything is already *resolved*.

Ruach replaces the uncertainty of building with calm, resolved living — delivered through a system, not a promise. NOMI arrives complete: known scope, known cost, known outcome, before a single panel is set.

THE VALUE WE RETURN

01	Peace of Mind	The outcome we are built to deliver.
02	Control	Known scope, known cost, known outcome.
03	Mastery	Every detail engineered, nothing left to chance.
04	Freedom	A home that asks less of you.
05	Status	Dignified living, quietly assured.

02

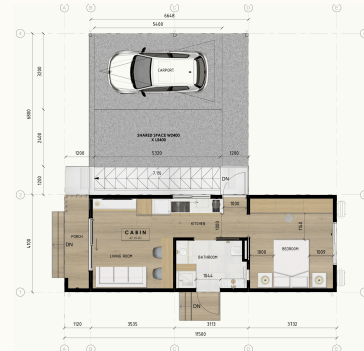

Four layouts. *One calm geometry.*

From the signature one-bed to the extended two-bed — the same considered interior, scaled to how you live. Each available in three signature styles.

THE SITE

IN ITS SETTING

A woman with long brown hair, wearing a white sleeveless dress, is walking away from the camera on a wide gravel path. The path is flanked by rows of young trees or shrubs. In the background, a modern, single-story house with a flat roof and large glass windows is illuminated from within, casting a warm glow. The house is surrounded by tall, dark trees, and the sky above is a soft, hazy pink and purple, suggesting dusk or dawn.

Placed lightly *on the land.*

A shallow footprint, a deep covered carport and a low roofline let the same building sit into a slope, a paddock or a coastal edge without dominating any of them.

SITE & SETTING

The same house, *read differently.*

On the deck

Coastal hinterland

Vineyard, golden hour

Renders show indicative siting and landscaping. Site works, access and orientation are confirmed per site.

The morning, *unhurried.*

The evening, *kept simple.*
